

- Ensure to have a feature to put properties as Sold or Rented, with the property listing having the pictures blurred so you cannot see the pictures anymore once it is rented or sold.
- You need to add a “**Privacy Policy**” page and a “**Terms and Conditions**” Page, not visible at the top of the page. Only visible at the bottom of the page.

### Home Page:

- **Home** option should be taken off the top bar. The way to access the home page should be through clicking the DCRE Lets logo as well as when you first go to dcre-lets.com
- Underneath **Experience The New Standard** the option to> “**Receive a free home valuation from one of our property experts**” should have **Receive a free home valuation from one of our investment property experts** on top of the box to enter your home address.
- The pictures in **Truly Bespoke, Local Market Experts, and Lifelong Partnerships** cannot be seen. Please make them visible.

### Services Page:

- It should say **Your Vision, Our Expertise**. You wrote **Our Vision, our expertise**
- **Our modern, tailor-made approach real estate is based on three fundamentals: the relationships we have, the advanced technology we use, and the high-end production values we apply to the marketing of our properties** should be changed to **Whatever your needs are, we offer a service to suit you. Find out why we are the best.**
- Change the pictures of the services for something different.
- The pictures in **Bespoke Solutions, Local market Expertise, and Lifelong partnerships** cannot be seen. Please make them visible.
- **View properties** should be changed to **Get in touch** throughout the services page

### Buy Page:

- “Explore our properties” should be in bold or more visible
- Remove the second **Check out Featured properties** section
- Remove the **News and Updates** section
- Add a section that says **Can't find what you are looking for? Get in touch to find out more about properties not yet in the market. We also offer an exclusive Investor service, so you can leverage our private network and negotiation skills to find the property you are looking for.**
- Add a **get in touch** section at the bottom of the page

### **Rent Page:**

- Remove the **News and Updates** section
- Add a **get in touch** section at the bottom of the page

### **Sell Page:**

- Remove the section that says **Gain access to the best network in the world.**
- Remove the section that says **Lights, camera, real estate** and replace with a **get in touch** section.
- **See properties** should be replaced with **Get in touch** throughout the sell page
- The **Sell with DCRE Lets** section is good. Please add a couple more points. It should include:
  - Learn about the selling process
  - Gain valuable tips and advice
  - Understand current market trends
  - Receive tailored marketing strategies
  - Leverage expert negotiation skills
  - Tap into an extensive network of buyers
  - Minimize stress with step-by-step guidance and support
  - Benefit from a team that prioritizes your goals

### **Let Page**

- Remote the **Media, Marketing, Technology and Data** section.
- Add a **Let with DCRE Lets** section like in the sell page.  
It should include:
  - Learn about the letting process
  - Receive expert advice on rental prices
  - Understand current market trends
  - Benefit from tailored marketing to attract quality tenants
  - Access comprehensive tenant screening for peace of mind
  - Ensure compliance with current landlord regulations and laws
  - Minimize stress with a hands-on property management team
  - Stay informed with transparent communication throughout the letting process
- Add a **get in touch** section at the bottom of the page.
